

Event Photographer Job Description

Vision:

What you deliver: Great photographs and if possible timely WEB updates.

What you deliver: Get candid photographs of interesting action.

Responsibilities:

Take action photos and candid photos for various PR purposes (WEB pages, program, poster, newspaper, sponsor, etc.)

Orchestrate regular WEB updates of photos with the WEB update staff if we have a Web Update Team.

Checklist:

Pre Event:

- Review this job description with the Chairperson and revise as needed.
- Coordinate weekend schedule with clerk of the course and chairperson
- Coordinate with WEB update staff.

Day of Event:

Friday:

- Shoot the banner placements, registration and tech and some car shots for PR.
- Go to the Spaghetti Feed Dinner and shoot pictures there for web updates.
- Take pictures of the cars being tech inspected.
- After registration closes: First WEB update with a few good photos.

Saturday:

- Shoot the Saturday morning activities and do another WEB update.
- Go to the spectator area and shoot as cars going by.
- Go and get some action shots of the cars finishing at a particular stage.
- Go to service area and shoot for PR and do some WEB updates.
- Go to a start of a stage and get some action shots.
- Go to I-10 Speedway and take pictures of the cars on the track, etc.
- Shoot the PR finish and do a final WEB update.

Sunday:

Do the same type of activities as Saturday but go over the schedule with the clerk of the course.

- Shoot shots of the banquet and update on the WEB.

Post Event:

- Revise this check list and submit to the Chairperson for next year.
- E-mail Chairperson with feedback.
